Forward

The Ministry of Home and Cultural Affairs as a parent Ministry of the Local Governance is required to rationalize dolam and distance between places in the 20 Dzongkhags and 205 Gewogs thereby ensuring clarity on motor able roads and walking distances. This review supposedly to take place as and when deemed necessary considering the rate of development of infrastructure in the country. Over the year, needless to mention that many new roads were being constructed and existing ones being improved. The rationalization of dolam in the Dzongkhags and Gewogs was last done in the year 2016 and the recent one year, 2019 being, “Standardized dolam and road distances between places in 20 Dzongkhags, January 2020” further delineates dolam and road distances till village level across the country.

This rationalization of this dolam and road distances is carried out not only from the audits point of view but also provides clear directions for claiming travel allowances for officials travelling to these places. As far as the Ministry is concerned, the report outlines 20 Dzongkags, 205 Gewogs, 1044 Chiwogs and almost all villages in the country. The report is also expected to help planners, officials and tourists visiting these places have clear details of the place names and distances between places.

In the light of the above, the rationalization was carried out by Department of Local Governance in 2019. The Department desired to visit actual places in Gewogs and villages for data verification, but due to the shortage of resources at hand, the best alternative was to conduct rationalization in coordination with the key persons like Dzongkhag planning officers, Dzongkhag engineers, Dzongkhag statistical officers, Tshogdrungs, Dzongkhag finance officers, chaired with Dasho Dzongdags or Dzongrabs. It was thoroughly reviewed by such committees in all 20 Dzongkhags and the same data was reviewed by the Department of National Budget, Ministry of Finance.

This publication is also available on the website of the Ministry of Home and Cultural Affairs; www.mohca.gov.bt
